

**INSTRUCTOR:** Leonelli, Betty

**CLASS:** Oil and Acrylic

## Oil and Acrylic Painting

### Supplies:

Below you will find a list of supplies I have prepared for you to get started. You need to have them for the first class.

- 1) Bring a palette and/or palette paper. Make sure the palette is large enough for mixing your colors. If you do not wish to purchase one, freezer paper and masking tape will work just fine.
- 2) Bring a coffee can to put your turpenoid in so you can keep your brushes clean. Don't try to use a little container for this.
- 3) A glass jar or metal container with a lid to store your used turpenoid in from week to week.
- 4) Rags or a roll of paper towels (we use them a lot). Viva or Shop towels work well.
- 5) One (1) quart of "GAMSOL" 100% Odorless Mineral Spirits, purchased at Art Store. DO NOT BUY Turpenoid in Green can.
- 6) Your basic oil colors: I prefer Winsor & Newton Paints or Grumbacher brand, but not a must. If it is in your budget, try NOT TO buy the student grade paints. They have a number on the front of them. They will work, but they don't cover as well.

### PAINTS:

Permalba White or Titanium White (it is in a large tube), Cadmium yellow light, Yellow ochre, Cadmium red light, Alizarin crimson, Cadmium orange, Burnt sienna, Burnt umber, Sap green, Cobalt violet

Other colors, but not necessary are: Cobalt blue, Tara Rosa, Black, Ultramarine Blue

A palette knife (to be used for mixing paints or just for painting)

A stretched canvas or canvas board for the first class, size 8 ½ x 11 or 12 x 14 or any size you feel comfortable painting on.

BRUSHES: White bristle brushes #4, 6, 8 or 10 flat and #'s 6 & 8 synthetic sables. You don't have to purchase ALL of these brushes at first, as a few of them will get you started. Brush cleaner or a bar of soap to clean your brushes after class.

ACRYLIC PAINTS may differ in some names, but you can come close. Please bring a SPRAY BOTTLE to keep you're acrylic paints wet. Also Palette Paper and a sponge work well. For best results, use Masterson's #105 Premier "Sta Wet" Acrylic Palette Paper and Sponge. (A white box with a blue lid found at the art stores.

Start looking at your photographs or pictures in magazines for things you may want to paint. Try to keep it simple for the first painting. Again, please make sure you have all your supplies for the first class.

I am excited to be your teacher and hope you will benefit from this new class at the Senior Center. Please let me know if you have any questions. Let the front desk know if you have any questions. They will contact me and I will return your call.
